Assistant Commissioner for Patents

Sir:

INFORMATION DISCLOSURE STATEMENT

Attached is a completed Form PTO-1449 listing a U.S. patent in connection with this application. Also enclosed is a copy of the patent and a copy of a European Search Report mailed June 6, 2001 in the counterpart European application. The Search Report lists three other references which were included in the IDS filed on September 12, 1995. It is noted that the PTO 1449 which accompanied that IDS has not been initialed and returned to undersigned. The record indicates that the PTO 1449 was not initialed because the Examiner could not locate the references in earlier-filed applications. However, an identical IDS (copy attached) was filed on the same date (September 12, 1995) in a related application Serial No. 08/465,455, and there the Examiner did initial the PTO 1449 (copy attached). It is clear, therefore, that the references were available to the Examiner. It is requested that the PTO form 1449 filed in the present case on September 12, 1995 be initialed and returned with the next paper to issue in this case.

It is hereby certified that the patent contained herein was first cited in a communication from a foreign patent office in a counterpart foreign application

not more than 3 months from the filing date of this statement [see C.F.R. § 1.97(e)(1)].

The IDS fee of \$180.00 is attached. The Commissioner is hereby authorized to charge our Deposit Account No. 14-1140 for any deficiency in the fees required in connection with the filing of this Information Disclosure Statement.

The Examiner is requested to initial the attached PTO-1449, and to return a copy of the initialed document to the undersigned as an indication that the listed references have been considered and made of record.

Respectfully submitted,

NIXON & VANDERHYE P.C.
